TERMS AND CONDITIONS OF SALE

Paid Products

Some of the Products provided on this Application, as part of the Service, are provided on the basis of payment.

The fees, duration and conditions applicable to the purchase of such Products are described below and in the dedicated sections of this Application.

To purchase Products, the User must register or log into this Application.

Product description

Prices, descriptions or availability of Products are outlined in the respective sections of this Application and are subject to change without notice.

While Products on this Application are presented with the greatest accuracy technically possible, representation on this Application through any means (including, as the case may be, graphic material, images, colors, sounds) is for reference only and implies no warranty as to the characteristics of the purchased Product.

The characteristics of the chosen Product will be outlined during the purchasing process.

Purchasing process

Any steps taken from choosing a Product to order submission form part of the purchasing process.

The purchasing process includes these steps:

- Users must choose the desired Product and verify their purchase selection.
- After having reviewed the information displayed in the purchase selection, Users may place the order by submitting it.

Order submission

When the User submits an order, the following applies:

- The submission of an order determines contract conclusion and therefore creates for the User the obligation to pay the price, taxes and possible further fees and expenses, as specified on the order page.
- In case the purchased Product requires an action from the User, such as the provision of personal information or data, specifications or special wishes, the order submission creates an obligation for the User to cooperate accordingly.
- Upon submission of the order, Users will receive a receipt confirming that the order has been received.

Methods of payment

Information related to accepted payment methods is made available during the purchasing process.

Some payment methods may only be available subject to additional conditions or fees. In such cases related information can be found in the dedicated section of this Application.

All payments are independently processed through third-party services. Therefore, this Application does not collect any payment information – such as credit card details – but only receives a notification once the payment has been successfully completed. The User may read the privacy policy of this Application to learn more about the data processing and Users' rights regarding their data.

If a payment through the available methods fails or is refused by the payment service provider, the Owner shall be under no obligation to fulfill the purchase order. If a payment fails or is refused, the Owner reserves the right to claim any related expenses or damages from the User.

Purchase via app store

This Application or specific Products available for sale on this Application must be purchased via a third-party app store. To access such purchases, Users must follow the instructions provided on the relevant online store (such as "Apple App Store" or "Google Play"), which may vary depending on the particular device in use.

Unless otherwise specified, purchases done via third-party online stores are also subject to such third-parties' terms and conditions, which, in case of any inconsistency or conflict, shall always prevail upon these Terms.

Users purchasing through such third-party online stores must therefore read such terms and conditions of sale carefully and accept them.

Retention of usage rights

Users do not acquire any rights to use the purchased Product until the total purchase price is received by the Owner.

Delivery

Performance of services

The purchased service shall be performed or made available within the timeframe specified on this Application or as communicated before the order submission.

Contract duration

Subscriptions

Subscriptions allow Users to receive a Product continuously or regularly over time. Details regarding the type of subscription and termination are outlined below.

Fixed-term subscriptions

Paid fixed-term subscriptions start on the day the payment is received by the Owner and last for the subscription period chosen by the User or otherwise specified during the purchasing process.

Once the subscription period expires, the Product shall no longer be accessible.

Subscriptions handled via Apple Account

Users may subscribe to a Product using the Apple Account associated with their Apple App Store account by using the relevant process on this Application. When doing so, Users acknowledge and accept that

- any payment due shall be charged to their Apple Account;
- subscriptions are automatically renewed for the same duration unless the User cancels at least 24 hours before the current period expires;
- any and all fees or payments due for renewal will be charged within 24-hours before the end of the current period;
- subscriptions can be managed or cancelled in the Users' Apple App Store account settings.

The above shall prevail upon any conflicting or diverging provision of these Terms.

Automatic renewal of fixed-term subscriptions

Subscriptions are automatically renewed through the payment method that the User chose during purchase.

The renewed subscription will last for a period equal to the original term.

Termination

Subscriptions may be terminated by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document, or — if applicable — by using the corresponding controls inside this Application.

If the notice of termination is received by the Owner before the subscription renews, the termination shall take effect as soon as the current period is completed.

Exception for Consumers based in Germany

However, regardless of the above, if the User is based in Germany and qualifies as a Consumer, the following applies:

At the end of the initial term, subscriptions are automatically extended for an unlimited period, unless the User terminates before the end of such term.

The fee due upon extension will be charged on the payment method that the User chose during purchase.

After extension, the subscription will last for an indefinite period and may be terminated monthly.

The User shall receive a reminder of the upcoming unlimited extension with reasonable advance, outlining the procedure to be followed in order to prevent the extension or terminate the subscription thereafter.

Termination

Extended subscriptions may be terminated at any time by sending a clear and unambiguous termination notice to the Owner using the contact details provided in this document, or — if applicable — by using the corresponding controls inside this Application.

If the notice of termination is received by the Owner by the end of the current month, the subscription shall expire at the end of such month.

User rights

Right of withdrawal

Unless exceptions apply, the User may be eligible to withdraw from the contract within the period specified below (generally 14 days), for any reason and without justification. Users can learn more about the withdrawal conditions within this section.

The right of withdrawal does not apply on this Application

Users acknowledge and accept that the right of withdrawal does not apply to contracts concluded over this Application due to the nature of its offering.

Liability and indemnification

Unless otherwise explicitly stated or agreed with Users, the Owner's liability for damages in connection with the execution of the Agreement shall be excluded, limited and/or reduced to the maximum extent permitted by applicable law.

Indemnification

The User agrees to indemnify and hold the Owner and its subsidiaries, affiliates, officers, directors, agents, co-branders, partners and employees harmless from and against any claim or demand — including but not limited to lawyer's fees and costs — made by any third party due to or in relation with any culpable violation of these Terms, third-party rights or statutory provisions connected to the use of the Service by the User or its affiliates, officers, directors, agents, co-branders, partners and employees to the extent allowed by applicable law.

Limitation of liability

Unless otherwise explicitly stated and without prejudice to applicable law, Users shall have no right to claim damages against the Owner (or any natural or legal person acting on its behalf).

This does not apply to damages to life, health or physical integrity, damages resulting from the breach of material contractual obligations such as any obligation strictly necessary to achieve the purpose of the contract, and/or damages resulting from intent or gross negligence, as long as this Application has been appropriately and correctly used by the User.

Unless damages have been caused by way of intent or gross negligence, or they affect life, health or physical integrity, the Owner shall only be liable to the extent of typical and foreseeable damages at the moment the contract was entered into.

In particular, within the limits stated above, the Owner shall not be liable for:

- damages or losses resulting from interruptions or malfunctions of this Application due to acts of force majeure, or unforeseen and unforeseeable events and, in any case, independent of the will and beyond the control of the Owner, such as, but not limited to, failures or disruptions of telephone or electrical lines, the Internet and / or other means of transmission, unavailability of websites, strikes, natural disasters, viruses and cyber attacks, interruptions in the delivery of products, third-party services or applications;
- any loss of business opportunities and any other loss, even indirect, that may be incurred by the User (such as, but not limited to, trading losses, loss of revenue, income, profits or anticipated savings, loss of contracts or business relationships, loss of reputation or goodwill, etc.);
- any losses that are not the direct consequence of a breach of the Terms by the Owner;

Notwithstanding the above, the following limitation applies to all Users not qualifying as Consumers:

In any event of liability, the compensation may not exceed the total payments that have been, will be or would be received by the Owner from the User based on the contract over a period of 12 months, or the period of the duration of the Agreement, if shorter.

Common provisions

No Waiver

The Owner's failure to assert any right or provision under these Terms shall not constitute a waiver of any such right or provision. No waiver shall be considered a further or continuing waiver of such term or any other term.

Service interruption

To ensure the best possible service level, the Owner reserves the right to interrupt the Service for maintenance, system updates or any other changes, informing the Users appropriately.

Within the limits of law, the Owner may also decide to suspend or discontinue the Service altogether. If the Service is discontinued, the Owner will cooperate with Users to enable them to withdraw personal data or information and will respect Users' rights relating to continued product use and/or compensation, as provided for by applicable law.

Additionally, the Service might not be available due to reasons outside the Owner's reasonable control, such as "force majeure" events (infrastructural breakdowns or blackouts etc.).

The Owner undertakes to inform the User with at least 180 days' notice in advance, whenever possible.

Service reselling

Users may not reproduce, duplicate, copy, sell, resell or exploit any portion of this Application and of its Service without the Owner's express prior written permission, granted either directly or through a legitimate reselling program.

Privacy policy

To learn more about the use of their personal data, Users may refer to the privacy policy of this Application.

Intellectual property rights

Without prejudice to any more specific provision of these Terms, any intellectual property rights, such as copyrights, trademark rights, patent rights and design rights related to this Application are the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties relating to intellectual property.

All trademarks — nominal or figurative — and all other marks, trade names, service marks, word marks, illustrations, images, or logos appearing in connection with this Application are, and remain, the exclusive property of the Owner or its licensors and are subject to the protection granted by applicable laws or international treaties related to intellectual property.

Changes to these Terms

The Owner reserves the right to amend or otherwise modify these Terms at any time. In such cases, the Owner will appropriately inform the User of these changes.

Such changes will only affect the relationship with the User from the date communicated to Users onwards.

The continued use of the Service will signify the User's acceptance of the revised Terms. If Users do not wish to be bound by the changes, they must stop using the Service and may terminate the Agreement.

The applicable previous version will govern the relationship prior to the User's acceptance. The User can obtain any previous version from the Owner.

Assignment of contract

The Owner reserves the right to transfer, assign, dispose of by novation, or subcontract any or all rights or obligations under these Terms, taking the User's legitimate interests into account. Provisions regarding changes of these Terms will apply accordingly.

Users may not assign or transfer their rights or obligations under these Terms in any way, without the written permission of the Owner.

Contacts

All communications relating to the use of this Application must be sent using the contact information stated in this document.

Severability

Should any provision of these Terms be deemed or become invalid or unenforceable under applicable law, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions, which shall remain in full force and effect.

EU Users

Should any provision of these Terms be or be deemed void, invalid or unenforceable, the parties shall do their best to find, in an amicable way, an agreement on valid and enforceable provisions thereby substituting the void, invalid or unenforceable parts. In case of failure to do so, the void, invalid or unenforceable provisions shall be replaced by the applicable statutory provisions, if so permitted or stated under the applicable law.

Without prejudice to the above, the nullity, invalidity or impossibility to enforce a particular provision of these Terms shall not nullify the entire Agreement, unless the severed provisions are essential to the Agreement, or of such importance that the parties would not have entered into the contract if they had known that the provision would not be valid, or in cases where the remaining provisions would translate into an unacceptable hardship on any of the parties.

Governing law

These Terms are governed by the law of the place where the Owner is based, as disclosed in the relevant section of this document, without regard to conflict of laws principles.

Prevalence of national law

However, regardless of the above, if the law of the country that the User is located in provides for higher applicable consumer protection standards, such higher standards shall prevail.

Venue of jurisdiction

The exclusive competence to decide on any controversy resulting from or connected to these Terms lies with the courts of the place where the Owner is based, as displayed in the relevant section of this document.

Exception for Consumers in Europe

The above does not apply to any Users that qualify as European Consumers, nor to Consumers based in the United Kingdom, Switzerland, Norway or Iceland.

UK Consumers

Consumers based in England and Wales may bring legal proceedings in connection with these Terms in the English and Welsh courts. Consumers based in Scotland may bring legal proceedings in connection with these Terms in either the Scottish or the English courts. Consumers based in Northern Ireland may bring legal proceedings in connection with these Terms in either the Northern Irish or the English courts.

Dispute resolution

Amicable dispute resolution

Users may bring any disputes to the Owner who will try to resolve them amicably.

While Users' right to take legal action shall always remain unaffected, in the event of any controversy regarding the use of this Application or the Service, Users are kindly asked to contact the Owner at the contact details provided in this document.

The User may submit the complaint including a brief description and if applicable, the details of the related order, purchase, or account, to the Owner's email address specified in this document.

The Owner will process the complaint without undue delay and within 14 days of receiving it.

Online dispute resolution for Consumers

Although the platform is no longer available, Users are encouraged to reach out directly to the Owner to resolve any concerns or issues. Users are kindly asked to contact the Owner at the contact details provided in this document.
